Attendance Guarantee Deposit

As of January 1, 2025 we are requiring that all new enrollees that are planning to attend the 2025-2026 school year (September 1, 2025 – August 31, 2026), pay a **\$650 deposit** in order for us to hold the spot open. This deposit can only be applied to tuition in the 2025-2026 school year and will show up as a credit on your September invoice. **It is not refundable if you decide not to attend Camelot and do not inform us of this decision by August 1, 2025.** This deposit is separate from the Annual Registration Fee.

This deposit must be paid by August 1, 2025. If you do not make the deposit by August 1st, we reserve the right to give your child's spot to another child.

If you let us know by August 1, 2025 that your child will not be attending in the 2025-26 school year, the deposit will be refunded to you.

We have instituted this policy because we want to be sure that we have spots open for all children that are serious about attending Camelot.

Please sign below that you understand the terms of this policy:
